

## ENGINEERED TERRAZZO

### XPLANE

We have decided to introduce the "XPlane" series into the market as one of the main new product ranges for 2016, from the new Veniston collections. This series is made by the using XLARGE background aggregate mix. The product range XPlane gives the architect and the designer infinite possibilities with its unique combinations.

### DIMENSIONS

Thickness can be changed to meet customer requirement and insofar as this is compatible with the production process.

## Terrazzo floor tiles for internal use, thickness class I

Essential characteristic	Performance
<b>mm 400X400X22 / 600X600X25</b>	
Reaction to fire	Class A1 , without testing (see decision 96/603/EC, as amended)
Water tightness	<8%
Mean Breaking strength	>5Mpa
Breaking load	class 1 <sup>a</sup>
Dimensional deviations edge	+/- 0,3%
Dimensional deviations thickness	+/- 2mm
Resistance to deep abrasion(capon test)	No individual test result exceed 25mm
