

ENGINEERED TERRAZZO

XSMALL 2017 MULTICOLOR

We have decided to introduce the "XSmall 2017 multicolor" series into the market as one of the main new product ranges for 2017, from the new Veniston collections. This series is made by the using multi-color extra small pieces of aggregate in the mix. The product range XSmall gives the architect and the designer infinite possibilities with its unique combinations.

DIMENSIONS

Thickness can be changed to meet customer requirement and insofar as this is compatible with the production process.
